Benevolent Offering

If you would like to give to the Benevolent Fund, you may do so today by marking "Benevolent" on your offering envelope.

Special Offering

We have known for several years that the air conditioning system in the sanctuary will need to be replaced. Of the two original units, only one is presently working and is not in optimal condition.

The estimated cost to replace the system is \$10,000.

Please prayerfully consider how you might be able to give above and beyond your regular offering to help meet this need.

Over the next few months, you may designate gifts to the Building Fund for this purpose.
